## CHEF JASON HELFER

Chef Jason attended the University of Johnson and Wales, Charleston, South Carolina. Upon his graduation, Chef and his father founded the Peasant Village on April 5, 1995, where he now brings the same culinary delights from around the world to our friends of San Angelo, Texas.

As San Angelo grows, we find more visitors in our gem of a city. Over the last few years, other restaurants have joined the scene, adding more culinary experiences. Chef Jason would invite you, not only to dine with us at the Peasant Village, but to visit our wonderful city, and share with other Texans what central west Texas has to offer.
